Yeah, tried it for about an hour or two, made 200EUR from just one guy.

And now i post this here, because i don't do manual e-whoring.

Mostly all germans speak english give it a try.

But you have to have patiance there. There are rich old mans and they wont catch on messages like

" hey babe im broke, give me 5 eur you will receive 5 nudes of me * .
