Thread: [Make over \\$500 daily in Bitcoin with Chaturbate Method - Repeatable](#)

sirisaacnudes - February 6, 2020, 4:42 pm

Hey, this is a huge exploit for a website - chaturbate.com

So basically this method allows you to buy tokens on this site completely for free and then withdraw them for real money or spend them on camwhores.

Personally I used this yesterday and made \$510 in Bitcoin. :pepo:

This method is really easy to use, enjoy.

PS: Please don't ask if the method is working, I literally tested it today. If it gets patched, I'm gonna remove this thread.

Enjoy while it last.

Use your eyes guys, OP's closed. Also, this is a scam method where you send your BTC to him and get nothing in return, but under the guise of getting a refund. All bull, all scam. Stop bumping dead threads.
