I see it everywhere, I don't understand it.

Nobody:

XXX: "comment"

I guess it means that XXX is the only person who does it. Funny joke I guess. lol

Nobody else does this. I've seen this plenty of times too.

Like nobody asked for it but someone dose it anyway

Stork - February 6, 2020, 11:23 pm

It's a meme but I can see how it could be confusing.

Snowwy - February 7, 2020, 12:18 am

Yeh I never got it when I first saw it either lol. Now I do but still kind of not funny I guess.

It is supposed to kind of put emphasis on the second part so it sounds more funny. In some cases it works.

Luca - February 7, 2020, 5:23 am

It's a meme that started a couple months ago.

It was funny for a while, now it's just obnoxious.

The joke its that XXX is doing something nobody else is

I'm not sure but I think it means like person A says nothing but person B still says ...

Vibe - February 8, 2020, 9:38 am

It pretty much means for no reason the bottom thing happens.
Like no one asked or just for any reason
