Thread: [Looking to manage premiums for big ewhores](#)

MilkingSupportTeam - February 7, 2020, 6:36 pm

I'm looking for new partnerships with new members that have a big premium snapchat with atleast 150+ members.

Your advantage:

- premium account will be active for 12 hours+ daily
- Autopilot methode (I will manage everything)
- Got around 15+ workers.
- Got an own control team that watch how the workers work (using Teamviewer)
- Experience Milkers that know how to milk clients (1 year + work experience)
- Trusted premium account manager
- Daily work 7/7
- Daily cashout in BTC

If you interested PM me and lets make some money.

Can vouch for this, we have a contract from months ago when I started working with him, easy extra cash from ewhoring and he's very reliable.

Vouch for this guy.

I have known him for past 3 years. His workers have been working on my accounts for a long time now, making me a ton of extra money from my premium accounts.

Trust worthy guy!

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
