Thread: [Whats your favorite HF Group userbar?](#)

SIM-3323508 - February 8, 2020, 7:18 am

Group Userbars can be found here: <https://hackforums.net/showgroups.php>

I really like monopoly and infamous. Of course I love allegiance as well :)

Marshmallow - February 8, 2020, 7:20 am

Gamblers and Polymath.

IMO most are pretty ugly.

I agree Gamblers is pretty good as well.

Luca - February 8, 2020, 7:21 am

Gamblers have the best userbar

Vibe - February 8, 2020, 7:40 am

I personally love dawns user bar the most!

cryp - February 8, 2020, 7:41 am

I like my userbar :)

Group-wise, bricksquad.

Zeus - February 8, 2020, 7:50 am

I like my userbar I think it's the best tbh, also I like my new Ston3rz one :):)

Geass - February 8, 2020, 7:54 am

from the link you posted, I would say Polymath has the most sexy group userbar, in my tastes :P

Cylow - February 8, 2020, 7:59 am

That Monopoly userbar is beautiful.

Biggy - February 8, 2020, 8:01 am

Infamous is the best IMHO.

What does one have to do to get into Bricksquad?

V?rt - February 8, 2020, 8:24 am

It's a tough race between a bunch, but I would have to say it's a tie between Profit and Hypebeast. They're just clean

Exe - February 8, 2020, 8:43 am

As for now my fav

1. Sui Generis (not because im in it)
2. Hypebeast
3. Gamblers
4. OP8
5. Infamous

Deal - February 8, 2020, 8:49 am

Reapercrews old userbar with the three reapers.

Else:

1. Infamous
2. Monopoly

Eagle 95 - February 8, 2020, 9:02 am

I see only three userbars on that page, Infamous, Blacksquad and Prevail. Rest are just random images which imo cannot be "userbars", no hf template. Both prevail and infamous are beautiful.

Well it was the rule until Omni decided not to enforce it anymore. I don't know why people switched to images, that's ugly and not a userbar.

You can join a group by posting on a recruitment thread if they have one or you get invited to one.

Some groups have buy-ins.

Don't wanna suck no mo'

?ystem - February 8, 2020, 11:02 am

I didn't realize there were so many these days, but the two that really stood out to me were Allegiance and Nova, but pretty much all of them had their pros and cons.

We were forced into it. Omni stopped letting people use the old userbar template when the site had its makeover.

Grim - February 8, 2020, 7:51 pm

I think alot of the crew userbars look cooler but for groups i would say Allegiance the best one. I really like diamonds though there used to be a group with a black diamond cant remember what it was called though.

oRequiem - February 8, 2020, 8:39 pm

Gamblers for sure.
Just too clean.

Grey - February 8, 2020, 9:17 pm

Infamous, but i'm pretty sure it's my bias from liking userbars based off the original template.

.Snorlax - February 16, 2020, 12:07 pm

Infamous definitely still has the best looking userbar of all time. No arguing that.

AYMG - February 16, 2020, 12:10 pm

Infamous UB would be my choice.

Maxorg - February 16, 2020, 12:13 pm

I know, right? I remember way back, that Infamous was the goal. Biggest achievement of all. Fuck awards, fuck reputation. Infamous was the place to be. Sad to think I never had the chance, although I spoke with every single member in the group regularly. Good times.

SNAK - February 17, 2020, 11:06 am

I really like Gamblers. (I googled userbars and found a few very cool from back in time - Instinct, RedLion etc.)

Is it possible to find a list of all current groups on HF?
