Thread: [\\$100 A Day! || No Experience Needed || White Hat](#)

Compulsive - February 8, 2020, 12:14 pm

Hello HF,

I need someone to run ads for me on Google. Only one account per IP is allowed which is why I am here. I need someone with a Google account that can run a campaign for me. I will not ask for any of your information and I will leave it to you to enter your billing. I will send you the money to cover the billing as well as 100\$ a day once the ad starts running.

This is a firm price, I will not be paying more or less

PM me if interested, thanks!

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
