Thread: [I feel an idiot](#)

Geass - February 9, 2020, 12:31 am

I remember checking in at daily threads but for some reason it was reset even though I post it, looks like because of my timezone, I woke up early and posted 2 times on same day, for example I checked in 8 Feb the night and today morning which was still the old thread
??

Good luck to both of us on this, little hard since it needs every day for long time but easy since it takes 2 seconds.
