Thread: [\\$1000/MONTH ==> THE ONLY LUCRATIVE AND HONEST MONEY MAKING EBOOK IN 2020](#)

theentrepreneur - February 9, 2020, 2:20 pm

Hi, I'm not really famous on HF, but please, give me my chance.

Unlike all others, I want to change the first opinion on ebook, because I was like you before, I bought many shitty ebooks, with 4 pages, and 1 stupid method.

Today, I decided to provide you a complete ebook, to avoid you what I had to do. This ebook is 100% complete with more than 45 pages and 20 methods. It's absolutely insane, believe me.

Because I just started, I only have 3 reviews on my auto-shop, however I would be delighted to send it to whoever want to see it.

If you have any question, or need any kind of support please contact me through :

The first glance at this ebook really impressed me. OP has written it very clearly and everyone with a working brain will understand the point of these methods and how to make them work. The text is easy to read and well written.

The content of this ebook is mostly unique. There are a couple of fascinating methods that I have never seen before on HF. One or two methods are not unique but they do have a twist to them which kind of makes them more unique than others. In one of the methods, OP includes a personal tip which I found very helpful to prevent losing money. This ebook contains a lot of methods and I believe that if you are not able to make back your investment you have some type of IQ issue. Some

of the methods will work better with some extra money while other methods are perfectly done without any investment at all, although I see that this would require a bit more time. There was only one method that I disliked because of personal reasons but since there are so many to choose from I do not see any issue with it. Some methods will work better than others depending on various factors but I feel that the situation where no methods work is rather impossible.

OPs attitude:

OP is a very nice guy that is open for discussion and has very positive energy. He answers questions fast and is very communicative on Telegram.

Overall I would say that this method is for the person who has some time to spare. To make these methods work you would need to put in some time. The work is not done for you but the instructions are. If you have the time, energy and motivation you would definitely make money from this ebook. (9/10) !

I have no affiliation at all with this user and will be happy to answer any questions that you have in the most unbiased way!

FAQ:

Spoiler ([Click to View](#))

-- Does it involve illegal activities? --

No. In fact, these methods are absolutely white-hat.

-- Investment needed? --

It doesn't require an investment because you will have many methods (without investment) to earn money before starting other methods.

-- Will this earn me money if I will be doing nothing? --

No. You will have to work to earn money, this method is not autopilot, at least not at the beginning. I want to be 100% honest and I will not lie like any others scammers.

-- Can this be patched? --

No, you have tons of methods, and they are absolutely unpatchable, at least 90% of these methods.

-- How many methods? --

To ensure the best service for everyone, I decided to put every method in all package, no difference for that. So each package has 20 methods (for now, but it will increase), with 50 pages and 12.126 words. It's a 4 years work, believe me it's the most complete ebook in 2020.

-- Why are you selling this if it's making you so much money? --

First, I was like you just 3-4 years before. Travelling on every forums without finding any good method. While I was working to earn a penny, I bought so much shitty ebooks on every forum. Today, I want to avoid this for you, I already earned and continue to earn money because these methods are not patchable. That's way I think, I can at the same time help you and earn more money.

-- Do I have to be 18+ to use this method? --

No. But if you are, you will be able to make more money, and more easily.

-- What does 1-on-1 mentoring means? --

I will be helping you with everything, till you will be ready to make money yourself.

-- Will this work worldwide? --

Yes, these methods are working worldwide.

If unfortunately, you want a refund, I will provide it on these conditions. You must ask for it 30 days after, and not before. You will provide enough proofs to prove you really tried it. If you didn't even try to ask me questions to help you, I will definitely not refund you.

Please note that the refund applies only to PREMIUM edition.

If you block payment or give a bad review for nothing, you will never get a refund.

In case of sales trashing, your personal data will be uploaded on public database.

Of course, \$1000/month, It was just a mistake. As I said in my first post, I'm not here to scam and pretend giving a miraculous ebook which will make you rich. It's an ebook with the best methods I found, which work pretty well.

That's why I would be really happy to give 2 vouches copies, but to trusted members on HF, since I need to gain more reputation. I will send vouches copies now, so you will get reviews soon. Thank you all for your replies.

I would love a vouch copy and will give a very detailed review to other fellow members. I have a lot of experience regarding different ebooks.

Thanks!

You should change the title of your thread mate.

Is saying \$1000/week while your thread design is saying \$1000/month.

theentrepreneur - February 10, 2020, 4:25 pm

Done, I changed the title. Sorry for misunderstanding.

First review, thank you a lot for your honest review !

And again for others, I'm not here to make people dream about millions, you can make a lot from my ebook but you need to put effort. That's the only thing you need to prepare, because everything is detailed.

I hope other reviews will come soon !
