Thread: [My UberEats driver has been stabbed...](#)

Flaxpicker - February 10, 2020, 5:18 pm

They told me that they will reorder the food for me, but its been more than an hour now... Does anyone know what their refund policy is???

This is very unprofessional service

335i - February 10, 2020, 5:19 pm

yeah they'll refund you easily just go help>didn't receive my food

in my experience, you'll get an instant credit

Deany - February 10, 2020, 5:21 pm

Damn, f in the chat for the driver

Spiritual - February 10, 2020, 5:22 pm

You'll probably just get a refund just say you didn't get your food.

Stork - February 10, 2020, 5:24 pm

I called him to check on the order status. The incident happened while I was on the phone with him

Called uber 30 minutes later to verify and they said the same.

Kinda pissed at how unprofessional some drivers are

Fish - February 10, 2020, 6:53 pm

By any chance were you the one that stabbed him?

People need to stop walking into knives.

Boomer - February 10, 2020, 7:16 pm

He should've disarmed the knife wielding maniac and used the knife to help in the kitchen to get your food out quicker.

Customer service is the biggest problem in the third party delivery industry.

Luca - February 11, 2020, 2:31 am

I would honestly just sue the guy for taking so long

Citoa - February 11, 2020, 5:00 am

So unprofessional. Just don't get stabbed lol.

So did you get your food bro?

Mix - February 11, 2020, 7:43 pm

Honestly, if this is a joke it's very fucking dark and honestly not too funny.

On a serious note if your food doesn't get delivered for whatever reason. you get a refund easy.

Yes I did. Ended up not tipping the next delivery guy just to prove a point

Not sure what's so dark about this.

Hm, even when you receive a full credit how does that compensate the fact that you had to starve for an hour?

Dhoroty - February 12, 2020, 8:44 am

He may walked into a plastic knife served with the food he tried to deliver. Accidents happen...

I feel you OP. Had a similar thing happen to me once. My driver was mugged for the food by a naked homeless guy, apparently.
