what's your discord can't pm

Xenicss - February 27, 2020, 8:21 am

online right now message me if you need anything coded.

naga9 - February 27, 2020, 2:05 pm

You got telegram or discord?

Xenicss - February 27, 2020, 2:11 pm

check your pm's messaged it to you.

x41N - February 27, 2020, 2:14 pm

What languages do you cover? Also have you got some project examples to show your experience?
It might help your sales pitch.

All the best to you.

Mostly C# , Vb.net and some basic php/html.

Made a Reddit upvote/downvote bot, Twitter account creator+followerbot , Crunchbase scrapper
and many more

thanks

Perhaps add a portfolio of your work if you want more business. It helps show the legitimacy of your work.

Good luck OP.

I've just used this service and ill certainly be hiring again!

Awesome coder, that will certainly get your project done!

Xenicss - March 3, 2020, 1:14 pm

thanks i appreciate it...

Chicklets - March 3, 2020, 10:08 pm

I need something done, can you shoot me your contact details ?

~HF~ - March 10, 2020, 12:27 am

Vouch, coded me something really quick and at a good price. Couldn't be happier with the finished product.
