\$250 BTC || 20k Bytes || 10K Bytes || Account Upgrade || Multiple entries allowed

It's been way too long since I last gave something back to the community. This forum brought me a lot of good things, and I think it's time to give something back once again. I plan on creating some interesting and helpful threads in the near future, but in the mean time, let's kick this off with a contest!

Now for the actual details of the contest:

Start Date: 02/15/2020

End Date: 03/15/2020

Prize #1: \$250 in BTC

Prize #2: 20.000 HF Bytes

Prize #3: 10.000 HF Bytes

Prize #4: A L33T/UB3R upgrade

Entry:

Your post number is your entry number!

Rules & Requirements:

- Anyone can join as long as you POST IN THIS THREAD!
- When you make a post you are automatically eligible for a chance to get the first prize, with the runner up prizes being prize #2, #3 & #4.
- Multiple posts are allowed up to 1 post per user per 24 hours
- Giving popularity is appreciated but it will NOT impact your chance of winning!
- The user upgrade from prize #4 will depend on your current site upgrade (if any). It can also be exchanged for a site award of equal value.

Drawing:

Prizes will be drawn by a staff member using random.org.

This contest has ended. Here are your winners:

(Mar 15, 2020 11:50 AM)Eagle 95 Wrote: [\[CITE\]](#) Winners are post numbers: 109 75 82 354. Congratulations.

That's an awesome contest [Vitani](#) ! Already saw that members hosting others for you. You are definitely leading HF contests

I'm hoping to win the first prize, like everyone else I guess. Recently bough for 280€ of books about Wireshark, 2 days ago, would be nice to make it less rough haha ..

Anyway if I don't win, hope these knowledge will be profitable for HF ?

Spoiler [\(Click to View\)](#)

Participating for the 3rd prize too, nice idea to allow 1 entry per 24 hours, it will avoid LQ posts and flood ...

Good luck everyone ?

LoremIpsum - February 16, 2020, 3:21 am

[Vitani](#) man, you are too good! I already thought you were a generous guy when donating me 15k Bytes for my first big Contest, but this is incredible!

As I'm trying to understand your thread, I think I got it. I'm posting here to enter this contest, hoping

to get prize number 1 if not, number 2. I'm happy with prize number 3, too, as I'm already upgraded so I can't pick them all. Thank you so much for hosting this!

\$250 BTC is an incredible amount to giveaway, so is 20k and 10k Bytes. Thanks again ??

Glad you like it!

As for the contest structure itself, I'm going to edit the requirements a bit, as most people did not read/understand that you have to specify a choice to get a chance to win prize #3 and #4.

Everyone now has an equal chance to win one of the 4 prizes. Prize #4 can be substituted to an award of equal or less value.

Hope that helps guys!

Cæciliux - February 16, 2020, 4:01 am

I'm not gonna lie, I didn't really expect the major drop in BTC when I announced the contest, but rest assured all prizes will still stand!

Drawing will be in 4-5 hours from now, so last chance for people to get one final post in!

[Eagle 95](#) If you would be so kind to do the drawing then, and post the results here, I'll take care of the rest!

Herbert - March 15, 2020, 3:59 am

Post #27 probably going to be the last post, good luck to all participants!
