Thread: [\\$400 PRIZE POOL | HUGE GIVEAWAY | MULTIPLE ENTRIES & ALL MEMBERS CAN JOIN](#)

passCODE - February 17, 2020, 2:17 am

We wanted to do something nice for the community and what's better than giving something away, something that can help you. We were thinking about the prizes and the decision was not to offer just money. It's easy to just throw in \$20 and call it a giveaway, but our goal is not that. For this giveaway, besides two money prizes (\$50 & \$25), you can also win one of our premade Shopify stores of your choice, 2x 2 product packs of your choice, 2x L33T Upgrade for non-upgraded members and one Ace of Spades award.

This is roughly \$400 in prizes.

Requirements for L33T/UB3R/V3ND0R members:

- 1.) +1 or more popularity points
- 2.) [Visit our thread here](#)
- 3.) Post in this giveaway thread as many times as you want (x posts = x entries)

Requirements for non-upgraded members:

- 1.) [Visit our thread here](#)
- 2.) Post in this giveaway thread as many times as you want (x posts = x entries)
- 3.) [Visit our website](#)

Prizes:

- 1.) \$50, \$25 Bitcoin
- 2.) 1x Premade Shopify Store
- 3.) 2x Product Packs
- 4.) 2x L33T Upgrade
- 5.) 1x Ace of Spades award

Basically there will be 8 winners, all will be picked randomly and every winner can choose the prize they want, the last one gets what is left.

Giveaway ends on 3/15/2020 - good luck everyone!

It's over! First I want to thank everyone for entering the giveaway and congratulate our 8 winners, and for losers, better luck next time!

I will contact every winner and ask what they want to pick as a prize. Obviously, it goes from 1st winner to last, the last one gets what is left. Once the first one answers my message, I will contact the second winner and so on...

To share that I'm not supporting this kind of contest, not against you, but saw so many times some members only flooding threads like that just posting random facts on wikipedia or whatever, it decreases the level of HF.

Good luck for all members though

I don't like how media report about this whole situation, they're making it 10 times harder for people. If there were no social media, people wouldn't be this crazy about the corona. For example this morning I woke up to articles about half of NBA players being infected, Tom Hanks infected, countries closing all borders. I mean, when you read that stuff you have to feel scared. But I think as soon as we get to warmer weather, the virus will die.

We are with the country with hot weather but still CoVid19 is getting bigger the past few days...there are already 59 positive infected people and that's why there's a massive panic buying within the metropolis since yesterday.

Hoping that media would be reporting real story and not making the people to panic and sending some exaggerated news all over the social media and television.

Be safe everybody...and praying for the world's safety. I pray that the cure be sent out to those who are infected.

God bless everyone :)

We wanted to do something nice for the community and what's better than giving something away, something that can help you. We were thinking about the prizes and the decision was not to offer just money. It's easy to just throw in \$20 and call it a giveaway, but our goal is not that. For this giveaway, besides two money prizes (\$50 & \$25), you can also win one of our premade Shopify stores of your choice, 2x 2 product packs of your choice, 2x L33T Upgrade for non-upgraded members and one Ace of Spades award.

This is roughly \$400 in prizes.

Requirements for L33T/UB3R/V3NDOR members:

- 1.) +1 or more popularity points
- 2.) [Visit our thread here](#)
- 3.) Post in this giveaway thread as many times as you want (x posts = x entries)

Requirements for non-upgraded members:

- 1.) [Visit our thread here](#)
- 2.) Post in this giveaway thread as many times as you want (x posts = x entries)
- 3.) [Visit our website](#)

Prizes:

- 1.) \$50, \$25 Bitcoin
- 2.) 1x Premade Shopify Store
- 3.) 2x Product Packs
- 4.) 2x L33T Upgrade
- 5.) 1x Ace of Spades award

Basically there will be 8 winners, all will be picked randomly and every winner can choose the prize they want, the last one gets what is left.

Giveaway ends on 3/15/2020 - good luck everyone!

Entering to join the raffle.

Should be good. Draw is coming.

I will contact every winner and ask what they want to pick as a prize. Obviously, it goes from 1st winner to last, the last one gets what is left.
