Thread: [echo owner?](#)

SIM-2263652 - February 17, 2020, 2:22 pm

I just got an idea worth of chasing. As some people know I have been looking to buy a group and an idea behind it.

thanks to [Night](#) I got one.

I used to be in echo, but I forgot the name of the person who owned it. Can someone point me to him?

Thanks.

If I had the chance to revive echo I would. But can't find the guy who owns rights to echo.
