Thread: [\[OFFICIAL\] Equilibrium Buyouts ***MASSIVE SALE***](#)

scam. - February 18, 2020, 7:11 pm

We have decided to start selling Equilibrium Buyouts. For a small payment you can be removed from the group.

We at Equilibrium believe everyone has a fair shot at leaving the group and returning to the outside world, so we

compromised amongst ourselves to come up with the best course of action if you happened to be one of those

who so desire. We are set on bringing a fast and affordable removal but due to our heavy workloads as Hack Forum

Group Pioneers and leaders our time can get fairly expensive. I hope we can all agree on the prices we've set, any lower

and Im unsure if we would be able to deliver this service. WE ARE WORKING FOR NO PROFIT.

All funds are paid to leaders

as wages so we can afford our lavish leadership lifestyle.

I received a vouch copy and was removed within 5 business days. Communication with my removal agent was prompt and direct.

I would happily pay the small fee they request. Wander was a bit rude however.

Unfortunately we are understaffed and can not take care of Discord removals without an additional surcharge of \$49.30.

We recommended deleting your Discord account and creating a new one after purchasing to avoid this fee.

Are chaturbate tokens the only accepted cam currency? I'm more of a MFC guy.

And when you say used socks, are we talking socks we wear on our feet, or proxy socks, and if socks we wear on our feet, can we send them to scams address so we have scams address?
