Thread: [Rapper Pop Smoke \[20\] Murdered In Home Invasion](#)

tina300 - February 19, 2020, 3:21 pm

He was a very promising upcoming rapper having a song with Travis Scott asap Ferg Pusha t Dave east meek mill and many more. His voice and UK drill, type beat mixed with American style rap is something never seen before, what do you guys think about this?

I seent this when I got back from school , insane . NY finna be moving around .

Apparently his child hood friend leaked address via an instagram photo on accident hours prior to the incident .

Prayers to his family . Best Regards .

That's sad to see. I saw this in the news, but I haven't heard of him before.

FBIRandom - February 20, 2020, 2:16 pm

he was a gang member so dont act as if he some stand up citizen
