Hi there.

I have a proxy list to share. It has 1,000 proxies freshly scraped from a decent source.

If you'd like to receive the list, just post below and PM me and I'll promptly reply with a link to the list.

Green apples are appreciated. ?

Residential proxies seem to good to be true but I am interested, please PM :)

al5ina5 - October 17, 2020, 7:01 am

Hey guys, I apologize, but this post is old and outdated. I no longer have the list.

Since, I have built a proxy scrapper. If anyone is interested in purchasing that, please feel free to DM me. Otherwise, this list is not outdated and likely mostly dead. :/
