Disclaimer

The templates from this ebook will work for any email platform in e-Commerce. I am a fan of Klaviyo and believe it is the best platform for e-Commerce emails which is why in this ebook I focused on screenshots + setup processes that focus on Klaviyo.

However, the concepts + templates + strategies will work with nearly any email provider

Review Copies

Want a review copy? I am giving away this entire \$97 template strategies FOR FREE to 6 HF USERS.

If you have an e-Commerce store, let me know, I will share the entire copy with yourself so you can implement it!

All I ask for is 1 thing. YOUR REVIEW BELOW
