Thread: [\[10\\$\] EveryRecovery - Password Recovery Tool \[Browsers, Mail, Messengers\]](#)

TR/Dropper.Gen5 - February 22, 2020, 8:27 am

3 VOUCH COPIES ARE STILL AVAILABLE!

[\[contract=tid\]](#)CLICK HERE TO PURCHASE NOW![\[/contract\]](#)

Terms & Conditions:

Spoiler [\(Click to View\)](#)

- Your refund policy is valid for 48 hours, if you've purchased EveryRecovery less than 48 hours ago and you would like a refund then please contact me.
- If you sales trash, your account with us may be banned.
- Opening a dispute or chargeback will automatically void your account with us
- There won't be an argument for "what is sales trash". If we deem a post is trashing sales then your refund option, future updates, and support will be voided.
- Any type of leaks or reverse engineering of the binaries will result in your account termination with us.
- Any kind of illegal usage of this service is not allowed.

Are the logs returned to the site or our means of delivery?

TR/Dropper.Gen5 - February 22, 2020, 8:48 am

This is a hosted solution, so that means the logs are sent to the website. This is done so that there is no setup required for you. You can just purchase the service, login and start using it.

However we also offer privately hosted solutions (sent to your own host). Message us via discord to discuss this further
