Thread: [Am I allowed to post the same thread but on multiple forums?](#)

Threat - February 25, 2020, 7:44 pm

I have a sales thread, and I would like to also expand it to multiple subforums by posting it again. Is this allowed?

Charger - February 25, 2020, 7:45 pm

No. Unless it's a paid sticky, you can only have 1 thread.
