Moxxi - February 26, 2020, 1:22 am

she looks like she sucked all the fat from her ass or tits and put it into her face and lips instead

VIXV - February 26, 2020, 1:25 am

Can we have athlete or pornstar on the next one? Thanks.

I chose option 3, I didn't watch the video but I don't think I have to. Have a good day all

Luca - February 26, 2020, 1:54 am

Alright boys! Get your pitchforks and torches ready!

J4mmy - February 26, 2020, 1:58 am

Yes, with a pan to the head and then send her to some sort of mental treatment.

Rsynced - February 26, 2020, 3:54 am

Ya, I don't know about this one guys, women in the youtube comments swear she is a beauty master or something. Very odd...

Herbert - February 26, 2020, 3:59 am

She looks like she's been through some hefty plastic face surgery.

No only freaks man or it's no fun ;)

Plus I do not look for these things, they just popup in google/duckduckgo or youtube sidebar for whatever reason. I guess they know these videos are funny to me or think I am a chick... lol

The botox she injected in her face is wearing down her muscles, that's why she's "exercising."

Ok, I forgot what that was called, ya botox, was really big in the 80's & 90's

Geralt - February 26, 2020, 6:50 am

?ystem - February 26, 2020, 8:02 am

Well I never seen this before, so I took your advice in skipping to 3:33 and, yeah. I didn't enjoy what I saw for a few seconds and it's in my brain now... What happened to them anyway? Were they a burn victim or is this from excessive surgery?

CyberStrike - February 26, 2020, 11:34 am

Willingly or does she have say a cure for a disease which a member has and we have to plow her to get the cure? I guess you know what I been with worse.

Glare - February 26, 2020, 11:48 am

Not sure why, but I have the sudden urge to punch her in the face.

Bob White - February 26, 2020, 11:50 am

Although I am all for body modification, what this lady has chosen to do with herself is not the least bit attractive.

I always kinda cringe at the fish lipped old ladies who overtan and bleach their hair and try to look like they are in their 20s when in reality they are in their 50s.

I have seen it as quite a popular look among the older ladies trying to catch themselves a sugar daddy. But good lord she looks like a bit of a bridge troll.

I would have to give this a HARD PASS, in any version of smash or pass I am confident she will get a strong 99% pass rate from anyone.

Any really wtf why do that to your face? She looks like one of those blow up dolls with the bright red lips that's constantly surprised lol.

Veninu - February 26, 2020, 3:31 pm
