Thread: [Buying Amazon.com GC, Rate- BTC - 72% \[Fast, Trusted Exchanger\] |Open Thread = Buying](#)

luffy - February 26, 2020, 11:09 am

Hey all, posting this thread as my old one can no longer be editing and I have increased my exchange rate. Done thousands of dollars of exchanges already!

Taking Amazon.com Giftcards for 72% BTC.

Will only exchange if you have some level of rep on the forum , low posts and zero ratings and I will not agree.

Pm me or post here with your amounts.

Note: Also looking for consistent suppliers. Current needs are 300-400 weekly, but that will be increasing to 500-1000 weekly soon

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.
