You pay me to receive credit that gives you free rides. You pay me 50% face value for the credit I give.

Tremorz - February 27, 2020, 6:15 pm

"Comes in \$25, \$50, \$75, or \$100"

So I pay 25 and then get 50 in credit?

Zoomers - February 27, 2020, 6:26 pm

Are these from giftcards or obtained via cracked accs?

Markovnikov - February 28, 2020, 5:25 pm

Does the credit expire, and if so, how long do we have to use it?

The expiration date is indefinite

you can use as many lyft credits as you want on one ride?

If you buy a 100 dollar credit option, you can use it on as many rides until it's gone.
If the ride is \$40, you will be left with \$60 credit remaining balance

Rich Brian - March 3, 2020, 2:31 pm

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

My credits got revoked in 2 days and there's 3 day warranty guarantee as stated in OP. I would like refund please. No point in resending the credits as it might get revoked again.

Just now stated 3 day warranty guarantee after your purchase.

Refer to me in pm. Did you take a ride with the credits already?

Rich Brian - March 5, 2020, 4:09 pm

This guy waited until a user's credits got revoked to finally add a warranty. You had a whole week to do that bruh. I want refund please

I had no idea. I personally tested this out myself too, and my lyft credits didn't expire for 2 weeks. I also lost out on money, but it's just the way of the road. How the game works. To be fair, you had a chance to use the credit and got what you paid for, not a scam.

"He then suddenly wants to add a warranty so he can try to not refund me."

The 3 day warranty is a new policy from my edit this morning. There were no terms stated when you bought.

I added the warranty so that future members will be safer. It's

Whatever bro... The credits were activated to your account. You got what you paid for. I'll be a gentleman and not give you a red b-rating.

Service is still active. Message me for rides and use them whenever you get the credits activated. Best to use within a week or two, sometimes the credits may disappear after a few days. Let me know through skype, discord, convos, or pm

Imagine you just landed at an airport and need a ride back home for a discount.

Imagine if you are drunk / fked up and need a ride that night

Imagine if you are in a new city and need to buy drugs but don't have a car and don't wanna take the public bus transit.

Sometimes it lasts 2 weeks, sometimes 1 week, sometimes cough cough 2 days
