Thread: [VOUCH DISCOUNT! REAL+GUARANTEED INSTAGRAM BLUE TICK VERIFICATION \(MiddleMan Welcome!\)](#)

Empire Network - February 28, 2020, 1:14 pm

What I'm offering: Guaranteed Instagram Verification through the Facebook Media Portal. This is a no BS service, anyone who says they can get you verified any other way is lying and trying to scam you. Only for well-qualified accounts (as detailed further below), though we can do PR as well for those with the necessary budget. If we are unable to get you verified for whatever reason, you receive a full refund!

Price: \$3,000 for personal accounts, slight bulk discount available. We can use a trusted middleman, you cover fees. I'm willing to do a vouch copy with MM to two trusted users for \$2k to build up some rep, but that's it. if you're not a highly trusted user, don't waste time asking.

Turnaround time: It depends on volume, can be as little as 24 hours. 3-5 days just to be safe.

Requirements/Guidelines: This is a straightforward verification service for clients who are eligible, but lack access to the portal themselves. If you're interested, you'll need to send me everything detailed below. I'm not going to dig through Google to find you. In general here's what you need to have...

- Link to IG account to be verified.
- 10-12+ HQ press articles are required. No Asian/Indian/Blacklisted press. Again, we can provide this if you have a much higher budget.
- Wikipedia/Google Knowledge Panel definitely help (I can provide these at additional cost, if needed).
- Helps if verified already on other social platforms.
- Personal website helps.
- We will need your ID. I wish there was a way around this, but there's not. Facebook/Instagram require it.
- Will also need the link to the FB page that your IG account is connected to.

Contact: Here, Telegram @TheEmpireNetwork , or Discord Empire Network#7844 . Telegram preferred!

Final words: This is a highly re-sellable service, but also a service that's ripe for scammers. Trust me, no one is doing this for \$75, \$250, \$500, or \$1000. I was scammed time and time again before I connected with my media partners. Anyone offering to do this for a small deposit up-front or a "service fee" is full of bs.

I'm interested in the PR and not verification.

Could you send me a list of sites that are available to me?

I don't really offer PR as a standalone service, as my providers are always changing. If you'd like to tell me what you're looking for, and your budget, I may be able to middleman something from my various providers, however.

Empire Network - March 1, 2020, 4:32 pm

We can also do most other social platforms as well, feel free to inquire :)

Any discounts on the pricing considering the current situation

I do have all the press requirements, book publications and some video interviews I guess. But both my Instagram and Facebook profile accounts are personal.

Since no one has bought the service yet from here, I am willing to give it a try. My budget is less for both of them. However, I also have a lot of people who I would bring to you in return.

Regarding your query that anyone who is doing for a lower price is bullshit. One of my colleagues at my office got his blue tick for ~\$200 on Instagram. The only reason I did not use that service was that they create a new profile with my last name and I do not get to choose a username for myself. I am happy to provide you his profile link + he has 0 PR and media articles.

I would say that you are definitely overcharging for the same.

Toosii - April 14, 2020, 3:23 am

Interested in this, how long can you guarantee that the account will stay verified?

\$3000 is definitely a reseller price.

\$200 is more than fair, but could be better if for a little higher you could choose the username even if it required creating a new blank account.

I do not know, I guess they use a trick where you don't really have an option of choosing the username. Which is why I did not get mine verified. But I have already asked the guy , he's not available due to lockdown. I am waiting for him to get back:(

Has anyone had this done?
Can anyone vouch?

Empire Network - May 4, 2020, 5:09 pm
Getting lots of DM's from people asking me to look them up rather than sending me the press outright. Sorry, but you need to provide that for me to tell you if you're eligible.
