I have been a member of hack forums for almost 10 years. Recently I haven't been the most active.

To motivate myself to be more active, and give back to the community I will be hosting a bytes giveaway!

You can post once per day and I will send you Bytes!

What you earn:

Regular members - 4 Bytes

(Feb 29, 2020 03:28 AM)Lonely Wrote: [\[CITE\]](#) POST DAILY FOR BYTES.

I have been a member of hack forums for almost 10 years. Recently I haven't been the most active.

To motivate myself to be more active, and give back to the community I will be hosting a bytes giveaway!

You can post once per day and I will send you Bytes!

What you earn:

Regular members - 4 Bytes

L33t - 6 Bytes

UB3R - 8 Bytes

V3NDOR / Staff - 10 Bytes

* My thread is the OG Bytes giveaway thread. 10x more clout in this thread. If you post on my thread your peen gets bigger. That's a fact.*

Would be happy for more bytes, if you're willing!

Much love <3

Stanley - August 22, 2020, 3:44 pm

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
