Hello HF,

Always PM me to find out current rates, I sell BTC cheap and currently take PayPal and Amazon Gift Card.

You must send clean funds only, from YOUR OWN account. I will not be going first to people I do not deem super trustworthy, thanks.

If I am buying your BTC, know that the funds are from a verified business account with money coming straight from balance ?

Current:

I am selling BTC at a 10% rate (Have \$1400 Stock)

I am selling ETH at a 10% rate (No Stock)

-

I am buying BTC at a 5% rate (Currently Buying)

I am buying ETH at a 5% rate (Currently Buying)
