I would like to apologize to everyone, something seriously bad came up in my life and I won't be exchanging till further notice. It could clear up in 3 days, or it could be a week. I'll let everyone know when I'm back. Also, my PayPal was recently limited. Due to having no time on my hands I have yet to submit everything to get myself unlimited. I'm sorry for bailing on everyone. Please be patient and soon hopefully I'll be able to return to the game.
