SIM-964740 - March 3, 2020, 8:32 pm

I can offer you REAL TikTok followers, likes, views & shares (or bottled views).

These come from a network of active websites where our users are incentivised to follow, like share, etc your TikTok profile.

These are REAL people giving you REAL results.

OR

I can offer bottled impressions on your TikTok videos (not recommended for any form of ranking eg. risk of shadow ban).

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Thanks, likely would have been a good place to have this thread.
