Hello!

elcolovende@gmail.com

VIDEO DEMONSTRATION:

[CLICK HERE!](#)

FEATURES OF THE TOOL:

AUTOBUYER

- automatically buying for the lowest price found on market, you can filter by chemistry, league, one specific player-

AUTOMATIC LISTING

- it can automatically list your players on the market with your desired min/max buy price-

REQUESTS PER MINUTE

- you can manually change the RPM of the tool -

YOU CAN USE YOUR PC WHILE RUNNING!

EASY TO USE

WORKS ON ALL PLATFORMS! (PC/XBOX/PS4)

You can make somewhere around 100k to 250k per day using the sniping tool.

Also, combined with the special filter, you can get to millions a day, my record was 2.4mil in one day.

If intersted, just dm me here or add me on Discord: ElColo#6315 I'll answer any questions you might have.

Price: SNIPE TOOL IS 35€ / SPECIAL FILTER DEPENDS ON YOUR PLATFORM (35-40€)
