Thread: [Amp & Blacklisted Currency Exchange](#)

Amp - March 5, 2020, 6:35 pm

Amp & Blacklisted's
CURRENCY EXCHANGE
BTC, Cash App, PayPal and more!

Information:

Selling BTC for the selected rates through Cash App (added to your balance) for 15%, or
PayPal/Venmo (Highly reputable members only) for 20%,

We will only deal via onsite PMS, meaning you must confirm onsite before going through with an exchange.

SELLING/TRADING: 15-20%
BUYING: 1:1

You will be paying first.

Minimum fee of \$10.00 (any amount below \$100).

Terms of Service: You verify that your payments are legit and verified with your real information (ID, bank, etc.)

You verify that your funds are safe and legally obtained/earned.

You confirm that you are not entitled to chargeback or ask for a refund under any circumstances.

All payments will be paid from account balance, nothing from third party bank accounts or credit cards.

Any and all fees are covered at your expense.
