Thread: [Open closed word file \(Paid\)](#)

John70 - March 7, 2020, 6:37 am

Hello,

If anyone can decrypt this word file, i will happy give him/her 100\$ no question asked, need it by 12 hours max time. Please send me email

john-208@hotmail.com

Anyone perhaps could help? :/

could anyone help pls? :/

Up anyone? :/ i really need help with this

Password cracking is something which works fine, just it's not guaranteed that it'd succeed in 12 hours. Have you already searched the usual scumbags if it's a known hash value? Have you extracted the hash from the file?
