Caligio's E-Whoring Helpdesk

Introduction

Hello! My name is Caligio and I've been E-Whoring since 2015, although I took a 1-year break before coming back to e-whoring with Snapchat.

I wanted to help out newbies and basically, everyone who's e-whoring and thus decided to create this helpdesk. I'm online almost all day - every day and for that reason, I'll try to respond to your questions as fast as possible. Personally, I focus/e-whore on Snapchat, but it doesn't mean I don't know anything about other forms of e-whoring.

F.A.Q

[Q:] Is E-Whoring still profitable?

[A:] Obviously, e-whoring will be profitable FOREVER. I'm always having doubts about why people even ask this.

[Q:] What payment methods to use?

[A:] Basically anything works. Most popular ones are Amazon Gift Cards, PayPal, Cashapp, Venmo, CirclePay and GooglePay. Personally I use Amazon Gift Cards and Cashapp

[Q:] How to avoid my PayPal getting limited?

[A:] Unfortunately talking about PayPal Fraud is against the rules of HF so please, don't ask questions like this.

[Q:] How to run SnapChat on emulator?

[A:] I'm not sure if it's possible anymore and even if it is - I don't see the reason why, running it on phone is easy and the set-up takes seconds.

[Q:] Can we be partners?

[A:] Sorry but no. I've always preferred working alone. Although I currently have a partner and I'll see how it goes.

Thanks in advance for your time.

Since it's illegal, I'm concerned about security more than anything else. So, should I use a VPN?

What are the risks of getting caught? Have you ever had any problem regarding this topic?

I mean, of course, you can use VPN, better safe than sorry. But I've never been too concerned myself.

Imagine a guy finds out you are not a real girl, what will he do? Go to the police and tell them that he bought nudes from a girl who turned out to be fake? ?

I believe someone would of been caught without a doubt, remain anonymous.

Of course, some have, there have been posts here on HF from some users for sure. I remember a guy who spent 6 months or so in jail because he bm'ed someone for few grand.

Friend, by simply googling terms like snapchat sexting - you'd be able to get some traffic.
