If you change your mind and feel like it's a better choice to make an agreement with me, you can find my profile and contact me.

It cost Natas some Bytes, but he's saved from my attacks. You will be the main target I think, so I wish you good luck and a happy fight ?

Rob - March 8, 2020, 4:58 pm

This is super interesting watching unfold between the crews and the bounties going down, good luck everyone.

Not going to happen friend. I don't back down.

My crew has all the resources and cash to take care of business.
We can do this all day everyday.

We didn't recruit the members we have for nothing.
We're organizing and very strong.

Take me out, I don't care.
I'll just get more and come back later.

Oh! BTW: I already know you cried to your crew.
I have you know there is a member playing both sides in your weak crew.

I might be old but I'm not stupid.
I have eyes and ears everywhere.

h†ml - March 8, 2020, 5:33 pm

SIM-3257834 - March 8, 2020, 5:40 pm

GreenMartian - March 8, 2020, 5:48 pm
