LEGAL TERMS AND GENERAL CONDITIONS

A purchase means that you automatically accept our general conditions.

By using this service, you accept the following general conditions. We strongly recommend that you read them before purchasing a product. A purchase means that you automatically accept our general conditions.

- Age restrictions.

You must be at least 18 years of age to purchase a product from this website. By placing an order, you confirm that you are the person legally having access to the email address that you have indicated and that you are at least 18 years old. You understand that providing false information is an offense. You confirm that you will not supply our products to anyone you believe is under the age of 18. LiquideFeaver reserves the right to cancel an order or refuse to sell a product to someone we suspect is under the age of 18.

- Products and goods.

By purchasing and / or using a service / product sold by LiquideFeaver, you agree that it is intended for research purposes only. By carrying out any form of research using a product sold by us, you agree to use well-equipped facilities, with all the necessary safety equipment and procedures. You also agree to undertake a comprehensive risk assessment of any product sold by us, and will not take or allow any action that could increase the risk of injury or damage to any person or property.

- Delivery by air.

By choosing the shipping method by air mail, you agree that your order will not be delivered for any reason. LiquideFeaver.fr is not responsible and no compensation will be granted in any form whatsoever.

- Delivery by tracked parcel.

By purchasing a tracking / insured method, you accept that, as long as your order is not delivered after a period of 21 days from the day of shipment, LiquideFeaver.fr will make arrangements to reship your order free of charge. Orders exempt from redirection are so when the postal service has been unable to complete delivery due to incorrect delivery information or when the postal service has left a notice of attempted delivery and the customer has not followed the information left by the delivery office. Only one free reshipment will be granted for any order. Any order confiscated by customs will not be redirected because it is up to the customer to ensure that ALL the items ordered are legal in their country. If an order is stopped at customs, the customer must continue with the customs service of his country because it is assumed to have verified the legal status of his order before shipment. Countries that will not receive free reshipment and that are classified as high risk due to high confiscation rates such as Sweden, Norway, Finland, Italy, Belgium, Austria, Germany, the Republic Czech, Australia and any other non-EU country. For all these countries, the customer buys at his own risk without any compensation in any form whatsoever.

If a tracked order is signed and delivered, we will assume that the package has been successfully delivered. If you have not received your package and the package is reported as delivered or delivered to the customer at the post office collection point, it is your responsibility to contact the postal service and make a complaint because LiquideFeaver.fr does not will not contact the postal service on your behalf. Once the postal service confirms in writing that the package has not been delivered, send us a copy of the letter and we will resend your order.

Countries excluded from the redirection guarantee.

The countries which will not receive free re-shipment due to high confiscation rates are Sweden, Norway, Finland, Italy, Belgium, Germany, Australia and any other country not part of the 'EU. For all these countries, the customer buys at his own risk without any compensation in any form whatsoever, regardless of how the order is shipped.
