Thread: [ESEA & Faceit Client](#)

bobdan402 - March 10, 2020, 4:12 am

Hi everybody.

I am looking for someone who can write me a cheat for ESEA & Faceit Client to use on my main account,
The MAXIMUM I can do is \$400 For 6 months.

Please don't send me a PM if you don't have reputation to show.

That'll do you one month at best, and then still you are lucky to get a "legit" cheat.
400\$ is below normal monthly prices.

Well tbh what do you expect with that price? That someone actually legit would sell it that cheap? Why would he?
