Thread: [Bulk SMS Service_ sending with any sender id with multiple unicode support](#)

SMS Trending - March 12, 2020, 12:10 am

Hello friends

I am providing Bulk sms service with sender id support .

you can send message with multiple language in one sms .

countries are available and sender id barriers are limited to alpha numeric or numeric to certain countries .

let me know where you want to send friends ...

I will give you personalized sms account . on panel itself

Add me on whatsapp : +86 170 3040 5582 , ICQ : @inbox or telegram : @chinaleads
[contract=tid]Start Contract[/contract]
