Thread: [Popular iPhone apps Snooping on pasteboard data](#)

Heavens - March 15, 2020, 8:10 am

According to research dozens of apps are reading content of the pasteboard without consent which could include sensitive information. Credit card numbers, passwords, etc

Pretty fucked up isn't it?

Oh but Apple cares about your privacy.... ?

Seriously they don't give a single crap about you or your data as long as you keep worshipping Apple.
