Well let's see how is everyone. My name is Chester I go by Lil Wolf I just came home from doing 4 years flat in prison I'm 23 and have nothing currently left to do with my life so i'm going to try this out. Hopefully I'm here to stay last time I used any forum I was 16 and in high school. this seem like a pretty chill place hopefully I can meet some people and make a good name for myself on here. Well see you guys around.

Welcome to HackForums, I know many people will ask this same question but what did you do for

four years in the cell.
