Hello, Im a beginner at this and was wondering how you guys get paid for ewhoring. I could use my paypal and do it manually but having a site where you can upload all the pics and vids and people pay to unlock them would be heaps easier. Do you guys know of anything like that so I can semi automate this?

I guess you can try making a Patreon for your premium SC.

It shouldn't be. I'm not sure though since I've never tried it.
