Thread: [Omners Crew Invites](#)

Omniscient - March 17, 2020, 1:51 pm

I am now accepting members into my Omners Crew.

My application process is simple.

1. [Buy Omners award](#) for \$100.
2. I will review your account.
3. If approved I will invite you.

To be in the Crew you must be upgraded and not in any other Crew.

If you are not invited don't be too upset. You support the site and gain an award.

Please note that I'm looking for dedicated HF members to be in my crew.

Here is the crew userbar which you can set as your Display Group.

Thank you. Any questions?

Shiny userbar! Cool feature, digging the whole review process so it's not a simple buy-in

Roytoy - March 17, 2020, 2:08 pm

Takes me back to the old "prestigious/elite UB3R" days. Great idea!

Free Kurdistan - March 17, 2020, 2:14 pm

Oldschool userbar, I like it, good luck to whoever apply.

There's not much organization in who we attack at the moment, just learning the ropes right now. I'll tell them to avoid it. Or if you want, get me a list of people in your crew and I'll tell the lads to stay off.

It's a shame I don't have \$100, I would pay millions to get rid of this horrific userbar [Xerotic](#) made.

Lorem Ipsum - March 17, 2020, 4:28 pm

I like the award design, but I 'can't afford' to spend \$100 on that right now.

Already in the Prevail crew from [SIM-3323508](#) so I'd do it strictly for the award, I'm not that active lately with posts and such. I did however want to sponsor a little bit, as it's been a while so I bought the Corona virus award.

Pretty useful userbar for marketplace addicts. Looks like Owners more than Omners.

Sadly, I would love to stay in the boss crew for now.

Grim - March 21, 2020, 2:10 am

Dam this is a very tempting offer. Pretty loyal to my own crew though still might buy the award.
Really cool how these hakuman are bringing lots of activity to crews and great work with all the updates thanks to xerotic and team :)
