Thread: [RIP Xerotic?](#)

Dorrance - March 18, 2020, 2:31 pm

So we was on discord chilling and Xerotic comes out with the news RIP Xerotic he will be in vain.

Honestly I think we should raise a gofundme for him to go get checked out, those testings cost \$1.3k on average after everything.

STAY AWAY FROM THEM HOES?

Fruitcake - March 18, 2020, 2:36 pm

You wild. The amount of people who are going to be infected with Corona will be much higher even on this forum lol.

Best of wishes to him though and wish for a speedy recovery <3.

Nachfolger - March 18, 2020, 2:39 pm

This explains the odd new crew redesign. He was mentally ill the entire time.

RIP [Xerotic](#)

So then do it since you care so much. No need for the attitude or the slight brag

Rsynced - March 18, 2020, 3:17 pm

Is he dead? This thread is very morbid. You are like RIP?

Mix - March 18, 2020, 3:37 pm

I can honestly say I have been near Xerotic and I have not got the virus as of yet. But I did touch him so its only a matter of time.

For a new member he knows too much.
Surprised he's still here.

All it takes is coming in contact with one person.

Xerotic is strong.

He'll get through it.

gore - March 18, 2020, 4:13 pm

Vegas just decided to close all nonessential businesses as of noon today, so hopefully if he stays inside and medicated, he'll be feeling better shortly.

Rsynced - March 18, 2020, 4:23 pm

Hope you get well soon Xerotic !

Armada isn't stupid. The guy is slick in his ways.
Seen him here with multiple different user names and posting styles.
I wouldn't be surprised at the least.

I'm checking ban list from time to time and I've seen few armadas accounts banned, so i wouldn't be surprised too but i doubt

Drop in the convos all his old profiles if you can get all the multi's I can see what I can do. Unless you want me to just let you handle it.

I believe so it's Aramada...

I don't remember and it shows only like last 2-3 days of bans

But I'm pretty sure I saw [Eagle 95](#) banning a member and the reason was "bye armada"

As I have said Armada isn't stupid.

In fact he's a very smart man and knows his shit.

He can and has spoofed his IP address on multiple times

In order to make a new account.

Sometimes it takes staff to figure him out.

However They always find him.

The fact that he knows me in detail?

There are only a very small handful of people know who I am.

And Armada is one of them.

We talk often and is a good friend of mine however we both will fuck with each other.

Secondly his user name "Military" is another red flag.

Armada was in the Canada military at one point.

Well, could just wait for Trump to quickly sign the approved bill that makes all coronavirus tests free. Then its cheaper for everyone.
