Thread: [Selling my FiveM Server \[GTA 5\]](#)

AndreaEbbasta - March 18, 2020, 3:00 pm

Hello, i sell my server for 50\$ with Script and database.

No bug, custom script [Inventory]

The inventory is fully scripted by me. You can Mount and Unmount weapon, Loot a dead body by pressing a single key. and more more more. Add me on discord i share my screen: Andrea.#8293

200+ Resource [No bug]
+7 Drugs and more more more.

[Start Contract](#)

Wakeandbake - March 18, 2020, 3:02 pm

Please can you provide some pictures? Have you ever made any profit or ran this server if so please leave some proof of this etc.

I'm interested so reply :)

rSM- - March 18, 2020, 3:03 pm

I'm interested in your server, however. How many scripts are actually custom as opposed to the public ones on Fivem's site? Would you mind sharing screenshots of your scripts folder? Also, is it esx based?

Yes, is ESX Based

I'd prefer if you can just upload a screenshot to your thread of your scripts folder, or dming me a picture if you want to do so. I don't use discord and would prefer to keep our conversations on site.
