If youre new into this you need to post more details about the script, whats the minium to start it, and give at least a VC to anyone who can test and share the results

Still good luck with sales

XD those screenshot proofs ? It doesnt proof anything - Dont buy this people

player92 - March 21, 2020, 6:33 am

its coded from scratch or its a cheap copy from other script?

Tyler Durden. - March 21, 2020, 6:55 am

Do nooooot buy this shit, I can't believe people even consider buying gambling 'scripts'

Bitcoinkey - March 24, 2020, 3:33 pm

I still have vouch copies available.

Would love to try it but i believe 0.008 is still high amount for me to start :p yet if it be lower would be testing it,

Thanks mate
