Looks slick and professional. Good job on the logo.

deathslayer3232 - March 21, 2020, 3:04 pm

looks mad broo but not too professional tho. but you did a sick job

thanks for the feedbaCK.

Mister Slyther - March 22, 2020, 1:14 pm

This is good work from a design perspective.

Although I am not sure why financial cooperations would consider these types of logos.

Wouldn't trust it because of this branding, not exactly applicable in the financial industry.

Malthemar - March 22, 2020, 1:17 pm

Looks great!

I hope it is for something underground/blackhat as that is what it is portraying!
