Thread: [Free spoofed / bulletproof hosting](#)

SpackHost - March 21, 2020, 10:17 am

Hi guys.

Im spamming for free my hosting.

We sell spoofed - bulletproof servers / script / amplist

vouch and proof <https://spackhost.com/vouchproof>

1gbps server medium plan https://www.youtube.com/watch?v=6K_B1UfKYYQ

Don't thank me :)

George Harter

Longdog - March 21, 2020, 12:39 pm

You still never sent me my test server. I was interested in buying...

Im from telegram the group that starts with a C

Jimmy Conway - March 21, 2020, 12:41 pm

scammer and multi, deal with caution.

Im from telegram the group that starts with a CHi sir.

I didn't hear u back.

Send me a private MSG so we can give you a free spoofed vps.

Kind regards

and all of the replies on your threads also accuse you of scamming.

it is confirmed
