So normally I am not into anime/manga but OMG Beaststars is fucking awesome.

Season one is on Netflix right now. I am on my 3rd watch through of the series and I just love it.

People been saying it is good and they ain't lying.. Well for me it is good dunno about you guys. I guess we can have a discussion on it. Spoilers are welcome but KEEP them in spoiler format [spoiler][./spoiler] (get rid of the '.')

Info if you don't know what it is.

I CANNOT WAIT FOR SEASON 2!!!!!!!

So far I only watched the first episode when it aired but I was a little disappointed with the plot. At least for the main "romantic" side, it was just the cliché of two "people" that are completely different and the world will hate them if they're ever together. Same with the bunny that kept getting bullied, it's like a traditional love story but they turned all the people into animals to make it seem interesting

That was just what I got from the first episode though, maybe it gets better but for now I've dropped it

Could've been a lot better if it included a darker type of characters. It definitely has more potential than what they're currently showing. I definitely enjoyed most of Season 1, however the ending was disappointing and did not match my expectations.

We have to wait for season 2.

Is a date mentioned? Or not yet confirmed?

Hopefully Legoshi goes berserk as in terms of becoming more aggressive & intimidating.

I think the season 2 prems around early next year or so. lol

SPOILER

Spoiler ([Click to View](#)) Yeah like when he saves Haru from Ishi Gumi gang (can't spell atm) I would like to see that Legoshi unleashes his inner beast again. No idea what happened to Louis when he was at Ishi Gumi palace when he kills the boss. I hope he makes a return.

I'm looking forward to that as well.

Don't click if you haven't watched all of the episodes

Spoiler ([Click to View](#)) Louis is the leader of Shishigumi now. He seems to be the second boss (first one being the Lion Boss that he killed.)
