this explains why mine hasn't regen his health as fast as it use to. Now he's forcing us to post to cure em. This sick man smh...

SIM-3609092 - March 23, 2020, 2:24 pm

Does that actually have to do with the Hackumans? Mine was going up without me even posting before.

latiendaadss - March 23, 2020, 2:25 pm

This is terrible news, We must get Omni involved to find a cure!

Where do you post to get it to go down tho mines just keeps climbing when i post or even refresh

..454 / 10,000 Posts ?

StarZ - March 23, 2020, 3:28 pm

Time to shitpost to save them, Boys...

Even if you get more eggs they will just keep being infected with the virus. the only answer is we need to find a cure for the hakuman plague
