Take an additional \$5 off with discount code: 93XPH27

[Newegg.com](#)

RogueHans - April 22, 2020, 4:50 am

Actually a pretty good deal, thanks.

Rsynced - April 22, 2020, 10:45 am

I read the specs but not sure, but do these work on standard sata cables or do I need a special slot?

n00b to ssd's

n00b to ssd's

You need an m.2 slot that supports NVME drives. Alt you can buy a PCI adapter but that's a waste of money IMF(In my fact).

leo1in88 - June 30, 2020, 7:34 am

can i use it for Laptop computer?
