Thread: [HF Merch?](#)

Roberto Scorpius Malfoy - March 28, 2020, 6:08 am

Morning guys!

I don't know if this has been posted before but I would like to see some kind of an HF shop where we can buy HF merch, like a hoodie or t-shirt, would be pretty cool to go around with one. I would rather use my money to donate to HF by getting a nice hoodie than buying like an award.

Looking forward to hearing Omnis opinion about this.

Veninu - March 28, 2020, 6:26 am

I've seen threads like this before and of what I understood Omni doesn't want any HF merch. Correct me if I'm wrong.

Yes I believe the subject has come up many times during my time here and I am sure this was the answer everytime. Maybe one day, who knows.

SIM-3205632 - March 28, 2020, 7:51 am

So people want to hide the "hackforums" button cuz they feel like someone will judge them irl. but then want to get merch. IM DEAD

SIM-1729678 - March 28, 2020, 7:52 am

Imfao, I believe that Omni already had something like this up before.

Nachfolger - March 28, 2020, 7:52 am

I wouldn't buy clothing but I would certainly buy a wristband or something discrete.

As I was just saying to Nate, I would probably buy a cap and wear it but not in public, only on holiday to make people think I am an l33t h4x0r.

Mix - March 28, 2020, 2:45 pm

in the past I 3D printed some HF keyrings and no one was really interested and Omni wasn't really wanting HF merch and such so I think it would still be the same now, but who knows times have changed.

Trust me, everyone pretends he doesn't give a jack, but deep down he does. And i bet that 90% of the people would do that to flex(wearing a HF shirt with their names on).

Luca - March 28, 2020, 5:03 pm

I would buy a HF butt plug.

Butt plugs signed by Omni would fucking fly off the shelves.

It's different, I want to hide the HF button because when I am at work I don't want people to think I am doing some shady stuff on the internet. Going around with a Hackforums hoodie wouldn't make them think that I am doing suspicious shit on the internet.

9756502033875746737731550 - March 29, 2020, 11:54 am

I can imagine what it would be like for me wearing this T-Shirt at school lol.

iTHX - March 29, 2020, 12:01 pm

Not what you asked for but I have a r*idforums top. I'd never think of wearing it infront of family - let alone the public!

KING - March 29, 2020, 12:09 pm

I like the idea, something like this would be cool!

Hah, I remember leaving a 3D Printer with my girl and her father before I left for an out of country vacation. They decided to print a 12 inch tall butt plug with the Fidget Spinner settings I had; which were solid infill! This butt plug was 10x harder than a bullet and could have turned you into the Hulk just by picking it up a few times. The perfect bedroom toy

Smexy - March 29, 2020, 4:56 pm

I would only buy HF branded socks.

Grim - March 29, 2020, 5:00 pm

i would buy something like this maybe a hat or somthing to support. idk about wearing a hackforums tshirt or somthing lol

something a fake valor like [Nuworld](#) would absolutely wear

The Broker - March 30, 2020, 2:43 am

Well, if every other insta / yt guy with 1k+ followers these days start selling merch, I don't see a reason why not.

Renestey - March 30, 2020, 2:47 am

Would totally buy some nice tshirt

There's a lot to unpack here.

Fortunate - July 17, 2020, 2:33 am

I would honestly love HF merch with some [Novica](#) designs.

Free Kurdistan - July 17, 2020, 2:45 am

I would personally not wear it unless it's just a small logo or the HF guy / avatar.

Blogger - July 17, 2020, 3:04 am

He was supposed to come out with something, I think. I thought he was talking about a shirt at one point.

Deany - July 17, 2020, 9:36 am

I would buy an HF hoodie not gonna lie doe

kinda how Twitch does their merch but HF should have its own, would be COOL

MarvinMalware - *July 18, 2020, 6:00 pm*

Nice idea, not gonna lie I'd buy something, maybe just something subtle though.

Blockonome - *July 29, 2020, 10:54 am*

Would be cool with some HF clothes to be honest, maybe you can do some homemade ones?

Fortunate - *July 29, 2020, 11:09 am*

I'd love to design and wear some HF merch. I hope there will be a design competition whenever merch would come out. Very cool.
