Thread: [Hack Game Battery Charge Issue](#)

Stork - March 30, 2020, 3:24 pm

My instant power charge purchases do not register onto my account. I have tried two Large Charge and one Medium Charge with no luck!

Are you putting your arrow icon on the battery and pressing it ? Then it will take you to the power upgrade page then go to the bottom right and press use
Are you doing this ? ?

Did you check this? By clicking at the battery icon?
