Thread: [April Fools - Prank Your Family, Friends, or Enemies](#)

Deployed - April 1, 2020, 11:28 am

Hello HackForums, Deployed Here

I have had about 2 people reach out to me asking if I could simulate a shared news article to temporarily ruin the lives of their loved ones. I thought I would share these with you in case you would like to use them. Feel free to request any as well and I will gladly make it for you :)

Let's have some fun today:

hgahah jokes, i like the second one better i dont know much people who flys often hah

webdev77 - April 1, 2020, 12:55 pm

I like the caption "Airport lines are getting ridiculous" for the picture of all the parked airplanes.

good Clay Davis.

Hahah, had to develop them myself to prank my family with relevance. Let me know if you need anything although the day of pranking is almost over

Is the IL schools one not legit? I keep seeing it posted around snapchat from my irl homies (I live IL) and then saw you made a fake about it

Renestey - April 2, 2020, 3:26 am

The first one might actually turn out true, fugg
